As an instrument of renewal in the Catholic Church, the Cursillo Movement involves a restructuring of Christian lives, through an ongoing program of sharing. The three-day exercise is only an introduction into a growing and supporting community of friends in Christ who are trying to Christianize their environments. In order to accomplish this task, the Movement furnishes a method which makes possible this living out what is fundamental to being a Christian. This method, essentially, consists of weekly group reunions.

I have read the above statements and answered all questions honestly and completely. I also understand this is only an application for Cursillo; and if accepted a letter will be sent to your sponsor giving date, place, and other pertinent information.
